May 2007-September 2008

Web Developer | Florida Legislature Commision on Capital Cases

Created and maintained website floridacapitalcases.state.fl.us

Designed the web application to manage Inmates, Last Actions, Attorneys, Cases, and Case Summaries. Converted over 300 Microsoft Word Case Summaries into database content so that Case Summaires could be part of the website content rather than downloads.

Used: ColdFusion, JavaScript, HTML, CSS, SQL, MS Access, and MS Word.
